## SES VISIT

Recently 10SU had Steph and Josh from Forbes SES visit as part of their Work Education Program Community Partnerships. They talked about what they do, who they help, the training they do and much more. It was really interesting to learn about the many things they do and made students realise how important it is to have volunteers like the SES in our community, especially in times of emergency.

- Frances Hinchcliffe-Emmett

## ADF VISIT

Members of the Australian Defence Force visited FHS recently to speak to Year 10, 11 and 12 students about future career opportunities. The session was very interesting and informative and the students received some great information.

## WINTER WARRIOR

Recently some students from PASS and SLR classes went to Lake Keepit to participate in the Winter Warrior. The event consisted of a 5km run, 2km log and tyre carry followed by an 8km obstacle course. A lot of fun was had by all and everyone was a little sore. We'll be back next year!

## INTERGENERATIONAL VOLUNTEERING

A group of students have been visiting Jemalong Retirement Village as part of their work education program, focusing on community participation and citizenship. They chatted with residents, played cards, dominos, connect four and battle ship. Students showed great respect and kindness to the residents they worked with. They are looking forward to future visits.

- Frances Hinchcliffe-Emmett

## SHOW TEAM

Forbes High School Show Team had an amazing day at Bedgerebong show. Our students showed four beef heifers and merino wethers with fantastic results. Congratulations to all prize winners. Results were: Novice paraders 2nd to Jasmine Casey, 3rd Laura Vonthein. Open paraders 1st Jack Cole, 2nd Kyle Bolam and 3rd Chloe Kemp.

- Rachel Eagles

## HAY DAY

On Friday 17th August students dusted off their boots and got out their old farm clothes. They dressed as farmers to raise some much needed funds.

Students brought in all their loose change to have a coin line house competition. Gamilaroi took out the win with Nguri missing out by a tail feather.

A big thank you to the whole Forbes High community for their support as we have raised over \$500 to help our farmers

Every bit makes a difference.

## AECG SCIENCE, TECHNOLOGY, ENGINEERING, ARTS AND MATHEMATICS STEAM CAMP

On August 13<sup>th</sup> we went to Yarramundi for a three-day AECG camp. Our favourite activities were when we went down to the creek at the Environmental Education Centre and did a variety of activities to test the health of the water. We looked for bugs, checked the temperature and salinity of the water. While we were there we also did a GPS challenge. Back at camp we learned to make spears and throw boomerangs, listened to stories and lots of other things.

Our favourite memory of the camp was making new friends and learning more about them.
