Term 3 - Week 10

Friday, September 28 2018

PRINCIPAL'S REPORT

Congratulations and Farewell Year 12!

Our Year 12 Assembly is scheduled for 28 September and marks the end of their formal classes at secondary school. On this note, I congratulate all students who have completed Year 12 and wish them well in term four as they embark on HSC examinations or alternate pathways that lead to further education, paid work or a well-deserved holiday for some. I take this opportunity to acknowledge the out-going student leaders, Captains Mitchell Ashcroft and Chelsea Turner, Vice Captains Konnor Ryan and Claire Maslin. All four student leaders have led the school and student leadership team with confidence and dedication. To the rest of Year 12 it has been a delight getting to know you over the last couple of terms and I sincerely hope the next chapter of your life continues to reflect the respect, dignity, maturity and optimism in which you presented yourself to me. I look forward to seeing you altogether as a cohort at the Year 12 Graduation Dinner on 17 November 2018.

HSC Examinations

For those Year 12 students who are sitting HSC examinations, it can be a stressful time but I remind you a little stress can actually help you focus. Stay positive and remember you are already halfway there because you have completed 50% of your overall mark through the in-school assessment tasks. If you have worked at your personal best then you have nothing to fear.

Some tips to consider in preparation for sitting exams:

- Go to bed at a reasonable time the night before exams.
- Wake up early and take time to have a healthy breakfast. Bananas and eggs are usually good and can sustain your energy and concentration. Now is not a time to try something different, so stick to foods that work for you.
- Check day/time exam and get there early so you do not feel rushed or can overcome any unexpected events.
- Before leaving home, check you have all the required equipment.
- Re-read and review the first question at the end of the exam to edit any careless mistakes that may occur when you are nervous at the start of the exam.
- If your brain freezes, just start writing anything and you should start remembering more details.
- Never give up! Persevere and attempt all questions to maximise your mark and opportunities.
- Stay calm and remind yourself that you are doing your best.

I wish you all well in your upcoming examinations.

Happy Holidays

I take this opportunity to thank all staff for their commitment, compassion and care for our students, our staff always go beyond the call of duty and I need our community to understand that this is the positive culture at Forbes High School that makes a difference to all our students on a daily basis. To the students who have accepted their responsibility to learning and worked at their best, I thank you and hope that you take the time to celebrate your achievement over the holidays as you reflect, rest and rejuvenate over the holiday period. I wish all our families a great break and look forward to staff and students returning to Term 4 on 15 October 2018.

CANBERRA ART EXCURSION

On Friday the 17th of August three Year 12 Art students (Tahlia Dellow, La Tonya Mailes & Jacob Howarth) went with Mrs Hill to Canberra for the day. It was hard waking up early but well worth it, as we had a great time visiting the National Art Gallery, National Portrait Gallery and the War Memorial Art Collection. LaTonya really loved the Aboriginal work of Lin Onus. Jacob went mad on the food and I found my Great Grandfather in the War Memorial Archives. Mrs Hill, well she loved every moment. The one thing we will never forget though was the chance we were given at the War Memorial to take part in the 'Last Post Ceremony'.

LaTonya and I laid a wreath in remembrance of the fallen and for all those who gave years of their young lives and endured so much for us. It was a very moving ceremony. If you want to catch it, the video is on the War Memorial face book page for the 17th August. If you ever get the chance to go on an excursion we all suggest you snap it up, because you get so much from doing something different.

- Tahlia Dellow

COMMUNITY NAIDOC DAY

These were a lot of fun and a great time was had by all involved and those watching. The Girri Girri students were on hand throughout the day and participated in conducting games for the local primary school students and performing a traditional dance.

GIRRI GIRRI EXCURSION

It's been a big term for students of the Girri Girri Sports Academy!

- We've welcomed a few new students from year 7: Matty Duke, Dani Karatiana, Emily Molloy, Brodie Morley and Bridie Hughes.
- We've developed our knowledge of Culture in a few forms. Donna Haines has helped us with our development of Wiradjuri Language. Uniting provided men who helped further develop the sense of culture by sharing stories, teaching traditional dances and instilling the values of taking care of ourselves and where we live.
- We've attended the Dreaming Centre NAIDOC Day, where the students were provided opportunities to eat 'Bush Tucker', developed their sense of culture and worked on their Indigenous artistic abilities.
- We participated in the Community NAIDOC Day as traditional dancers. We also ran Indigenous games for the primary schools and competed in the students vs. police touch football and basketball games.
- We ran Indigenous Games at Forbes Pre-School's celebration of NAIDOC Day, which was a lot of fun for both our Girri Girri students as well as the Preschool and Public School students. This gave our students the chance to showcase their organisational skills and leadership abilities. The students were also given the opportunity to learn additional traditional dances with the Pre-School students and I don't know who had more fun being Gugaa's (Goanna's).
- We also ran Indigenous Games at Grenfell Public School's NAIDOC Day celebration which again gave the students the opportunity to demonstrate their leadership abilities and share their knowledge of local culture with the younger students.
- Year 10 students Whitney Duffy, Billie Dukes and Ben Molly were given the opportunity to attend the Walanga Muru Rising Stars Leadership Camp ran by Macquarie University in Sydney during week 9. These students were provided with the chance to meet over 60 likeminded peers from schools all over NSW. They were given further opportunity to develop leadership skills while being given a glimpse at University Life.

Throughout each of the many events the Girri Girri Sports Academy students ran, participated in and watched they displayed the FHS values with pride. The students showed great responsibility, respect to themselves, each other and those around them and they did their best. I am extremely proud of the students and am looking forward to another busy yet rewarding 10 weeks in term 4. Keep up the Great Work GGSA!

NRL LEAGUE TAG GALA DAY

The Under 16s Girls League Tag Team competed in the NRL League Tag Gala Day in Week 10. The girls played 3 games overall and developed a lot in their skills and abilities.

Game 1 was against Red Bend. Red Bend took advantage of the girl's nerves and got two tries in the first few minutes. Amy Gallagher however broke through the girls with a runaway try not long after and showed them what Forbes High School is made of. Another try went to Amy Pike yet we couldn't get the win.

Game 2 was against another Red Bend team and we were figuring out each other's strengths and positioning and we came out with a draw of 2 all.

Game 3 was to be the decider, however Molong CS displayed a strong sense of team work, skill and ability and couldn't be stopped and we came out with another loss.

The Under 16 girls represented FHS exceptionally and displayed positive sportsmanship, respect and they definitely did their best and I'm very proud of their efforts. I'm also very proud of Lincoln Godden who refereed on the day, and did an exceptional job. Great work everyone, I'm already looking forward to next year's Gala Day!

- Sarah Kelly

DREAMING CENTRE NAIDOC DAY

Forbes High School students in the Girri Girri Sports Academy attended the Wiradjuri Dreaming Centre NAIDOC Day earlier this term. The students developed their knowledge of culture, tried new foods and did some painting. A great day was had by all!

Residents are able to attend the Forbes Shire Depot between the hours of 9am – 3pm, Monday to Friday. Residents are asked to clean their containers prior to pick up as Council accepts no responsibility for the quality of water once it has been discharged at the depot. For safety reasons members of the public are not to drive into the depot area but must report to the office first. Loads should be secure and within load limits of the vehicles.

Registered bulk water carters will need to make contact with the depot and both a safe time to enter and use the high capacity hose.

GIVIT

The NSW Government has partnered with GIVIT to enable the effective delivery of charity and aid to farmers and rural communities impacted by the drought.

GIVIT supports charities by providing a virtual warehouse where people/business can pledge their support (\$, goods, services, volunteer) and be matched with a community or charity that requires that type of support.

100% of donations will go on ground to those in need and the strong focus is on supporting small towns with local buying. After all, it's about supporting our small businesses during this drought too.

Please spread the word and direct all charitable drought efforts to GIVIT.
