PRINCIPAL'S REPORT

Mrs Kathleen Maksymczuk

Dear parents, carers, students, and the Forbes High community, It is incredible to believe that we are in the final week of term which is the final week of formal secondary education for our Year 12 students. As the term draws to a close, I would like to thank you all for your support of Forbes High School and the partnership that we have. I appreciate the strong relationship that we have, and I look forward to continuing this partnership in Term 4.

Year 12 Celebration Week

This week was an opportunity for Year 12 to celebrate their final week of high school. They have dressed up as younger versions of themselves, they have attended a fun paintball experience as well as colour run. They have dressed up as tradies and have celebrated with staff by sharing breakfast together as well as being a personal assistant to a staff member.

The final assembly on Friday is always bittersweet, the ending of one chapter but the beginning of the rest of their lives. Please enjoy the photos from the week.

Masterclass Event

Thursday of Week 9 we had students from Forbes Public and Forbes North Public Schools attend our school for a series of masterclass lessons. These were an opportunity for students in Years 5 and 6 to attend Forbes High School and engage in a range of lessons. We look forward to continuing and expanding this programme in Term 4 and in 2025. Thank you to our partner schools and the staff who supported this event.

Eugowra Show

Saturday 21st September, Ms Eagles and the Show Team attended the Eugowra Show. Once again our students represented our school with pride and passion. Their skills in Agriculture are outstanding and they have been excellent ambassadors for our school.

Thank you to Ms Eagles and the team involved for creating these opportunities for our students.

I wish all our students a wonderful break. Staff and students both return to school on Monday 14th October to commence Term 4.

Warm regards,
Kathleen Maksymczuk

YEAR 12

The final week of Year 12 is a whirlwind of emotions and activities, marking the end of an era and the beginning of new adventures. Students reflect on friendships and memories made during high school. It's important for them to take a moment to appreciate how far they've come and to look forward to the possibilities that lie ahead, whether it's further education, starting a career, or taking a gap year to explore and grow. The end of Year 12 is not just a conclusion, but a commencement of new beginnings.

[YEAR 12](#)

SHOW TEAM

Handicrafts

Students worked on creating a patchwork cushion in Technology Mandatory Sewing. Both girls submitted their cushions to the Forbes Show, and they emerged as winners. Lucy secured first place for her cushion, while Lilly achieved second place for hers and also took first place for her Lilo felt toy.

Additionally, another student created a bookmark featuring his favorite topic, horses, and he also won at the Forbes Show.

COMMUNITY ACCESS

Flannery's Pharmacy

A heartfelt thank you to Bri and Sarah at Flannery's for graciously hosting our Community Access group at Flannery's Pharmacy during Week 9. The students felt comfortable and engaged, asking numerous insightful questions. They gained a wealth of knowledge about the pharmacy's services and products, making it a truly valuable experience.

We appreciate Flannery's Pharmacy for making this visit possible.

Forbes Smash Repairs and Isabel's Place

During Week 10 of Community Access, the Forbes High School Support Unit had an amazing experience at Forbes Smash Repairs and Isabel's Place café. Students were treated to an exclusive behind-the-scenes tour of their incredible services, where they could ask questions about the various jobs performed. It was truly inspiring to witness the skills and craftsmanship involved in vehicle repairs. Students asked questions about the qualifications required to work as a panel beater, the most challenging repairs, and the most common accident damage they need to repair.

Afterward, everyone enjoyed a delightful treat at Isabel's Place café, where we practiced our ordering and social skills. A huge thank you to the teams at Forbes Smash Repairs and Isabel's Place for welcoming us and sharing their knowledge.

Restricted social networking platforms for students

From Day 1 Term 4, students will no longer be able to use their school email address (@education.nsw.gov.au) to access social media, gaming, instant messaging and similar platforms. This means they will also not be able to retrieve password-recovery emails and the like from these platforms.

The NSW Department of Education is making this important change to help keep our students safe online, reduce the risk of cyber threats and make sure student email accounts are used for their intended educational purposes only.

If students have signed up for a social media, gaming, instant messaging or similar account using their student email address, please change to a personal email address on each platform by Sunday 13 October 2024 to make sure you don't lose access to the account.

Here's how:

1. Log in to each account.
2. Go to the account settings and update your email address to a personal one. Add a mobile number too, if you haven't already.

The department is making this change to ensure all student accounts are being used for their educational purposes, and to help protect them from risks online. Using a personal email address for these platforms instead of their student email address reduces the chances of someone gaining access to information in their school account.
